

NC State Board of Education Summary: April 2015

We have ranked this 3 on a scale of 1 to 5. This is our opinion of the importance of this for educators making decisions.

Committee: HRS-Healthy Responsible Students

SBE Minutes Summary:

ATHL-000: Athletic Trainers

"The State Board of Education voted unanimously to approve the revisions to SBE Policy #HRS-D-000 as recommended."

Revisions clarify responsibilities and training requirements for athletic trainers or first responders serving in this capacity. Note policy recoding (originally HRS-D-000).

Relevant Section of Statute:

115C-12(12)

(12) Duty to Provide for Sports Medicine and Emergency Paramedical Program. - The State Board of Education is authorized and directed to develop a comprehensive plan to train and make available to the public schools personnel who shall have major responsibility for exercising preventive measures against sports related deaths and injuries and for providing sports medicine and emergency paramedical services for injuries that occur in school related activities. The plan shall include, but is not limited to, the training, assignment of responsibilities, and appropriate additional reimbursement for individuals participating in the program.

The State Board of Education is authorized and directed to develop an implementation schedule and a program funding formula that will enable each high school to have a qualified sports medicine and emergency paramedical program by July 1, 1984.

The State Board of Education is authorized and directed to establish minimum educational standards necessary to enable individuals serving as sports medicine and emergency paramedical staff to provide such services, including first aid and emergency life saving skills, to students participating in school activities.
