

## NC State Board of Education Summary: December 2018

We have ranked this 4 on a scale of 1 to 5. This is our opinion of the importance of this for educators making decisions.

Committee: SLA-Student Learning and Achievement

### SBE Minutes Summary:

Dr. Chapman shared an overview of legislation from 2015 which states "The State Board of Community Colleges, in consultation with the State Board of Education, shall develop a program that introduces the college developmental mathematics and college developmental reading and English curriculums in the high school senior year and provides opportunities for college remediation for students prior to high school graduation through cooperation with community college partners."

Extension received in Summer 2018 to support more effective development and implementation; Implementation statewide in all high schools by 2020-21.
