

## NC State Board of Education Summary: June 2018

We have ranked this 4 on a scale of 1 to 5. This is our opinion of the importance of this for educators making decisions. Change requires LEAs to adopt local policies and procedures for Credit Recovery that are consistent throughout the LEA and aligned with State Board Policy CCRE-001. This is important in LEAs that have permitted schools within the LEA to interpret/implement Credit Recovery differently.

Committee: SLA-Student Learning and Achievement
