

NC State Board of Education Summary: January 2019

We have ranked this 4 on a scale of 1 to 5. This is our opinion of the importance of this for educators making decisions.

Committee: SLA-Student Learning and Achievement

SBE Minutes Summary:

Updates to Policy GRAD-004 State Graduation Requirements were approved via Consent Agenda. The update adds a requirement to the Occupational Course of Study that students must complete CPR instruction to meet Healthful Living Essential Standards, with accommodations as required by ADA or IDEA.

Relevant Section of Statute:

GS 115C-81.25(c)(10) Health Education
